Coaches, Counselors & Pastors

As a counselor, career coach, pastor or mentor, you need good information. The CALL gives you the information you need to advise, minister to or mentor them to make better decisions about their career, goals and life purpose.

What is The CALL?

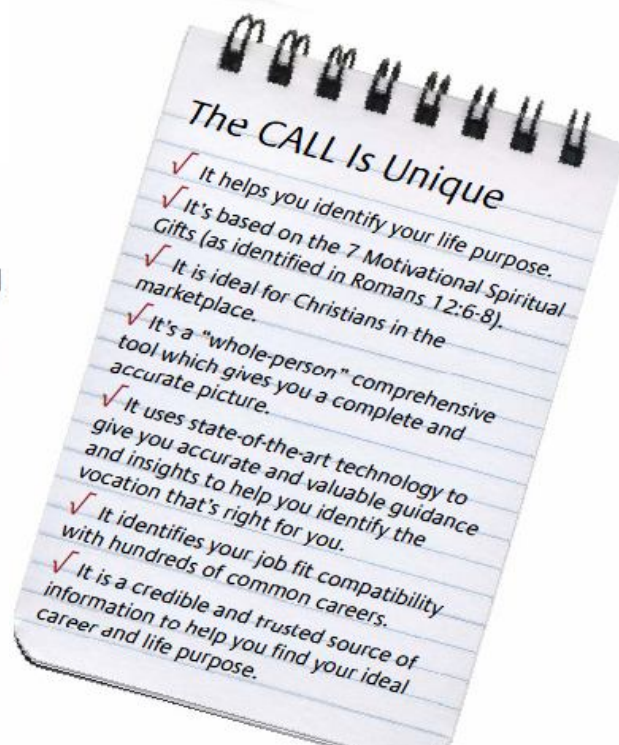

The CALL Vocational & Life Purpose Guide is the first comprehensive assessment to measure the seven motivational spiritual gifts to help you make wiser choices about your education, your career and your life purpose. **For only \$199 you'll receive a comprehensive report full of valuable insights into your God-given talents, abilities, interests, gifts and strengths.** Your personalized report provides a mountain of useful information, measuring:

- 7 motivational gifts
- 9 major personality and behavior traits,
- 6 major occupational interest groups and
- 5 dynamics of your thinking style.

It also shows your closest matches with jobs in 22 different industry categories. Plus, the report provides you with ministry-specific careers not available with many other popular career assessments.
